October 3, 2017

Chairman Borud opened the hearing for comments on the Combination of Auditor and Treasurer's Offices Resolution.

Discussion was held on the ND Century Code 11-10.2-02 which explains the methods of accomplishing office combination, separation, or redesignation of elective or appointive status. Joan Hollekim questioned when and where the final resolution would be made. The Board wasn't able to answer the question due to further discussions and meetings to be held.

Shena Wold, Treasurer informed the board that the Motor Vehicle Department is not looking for branches until the 2020 year so the extra duties wouldn't be able to be acquired for the time being. Treasurer Wold will still look into acclimating further duties from other offices.
