AGREEMENT FOR TOWNSHIP ASSISTANCE

Project Location: _____

Project Description: _____

This agreement between the **County of Mountrail** through the Mountrail County Road & Bridge Department, whose post office address is PO Box 275, Stanley, North Dakota 58784 (hereinafter referred to as "**County**") and _____ **Township**, whose post office address is _____

(hereinafter referred to as "**Township**") who hereby agree as follows:

COUNTY AGREES TO:

1. Provide assistance to said Township for the culvert project described above, assistance will not exceed \$_____ or 75% of the costs, whichever is less.
2. Reimburse Township for actual costs incurred not exceeding amount of award specified in item 1 above described upon receiving a copy of the invoice(s) of work completed.

TOWNSHIP AGREES TO:

1. If required in accordance to 48-01.2 of the North Dakota Century Code, secure an engineering firm for the preliminary and construction engineering services and bid the project.
2. Submit invoice(s) for actual costs incurred to the Mountrail County Road & Bridge Department, PO Box 275, Stanley, ND 58784.
3. Pay the balance of the project costs not covered by Mountrail County under this agreement.
4. No official, employee or other person performing services for the **Township** who is authorized to negotiate or approve any contract or subcontract in connection with the project shall have any financial or other personal interest in any such contract or subcontract. No officer or employee of such person retained by the **Township** shall have any financial or other personal interest in any real property acquired for the project unless such interest is openly disclosed upon public records of the **Township**, and such officer, employee, or person has not participated in such acquisition for and in behalf of the **Township**.
5. Township fully understands the **County** is only providing assistance for said township project and **Township** agrees to assume all responsibility of this project on the township road described above or any impacts related to this project and hold the **County** harmless during the construction of said project and for any future improvements or obligations on said township road described in this agreement.
