**A wonderful opportunity for Equine enthusiasts!
You do not have to own a horse to participate!**

Hippology provides an opportunity for youth enrolled in 4-H equine projects to demonstrate their knowledge of equine science-related subject matter in a competitive setting where attitudes of friendliness & fairness prevail. Hippology is an activity that can make learning fun for 4-H members by letting them exhibit their knowledge and understanding of equine science and husbandry...without even having to own a horse! Quiz Bowl allows youth to demonstrate their knowledge of equine science.
