4-H Horse Record

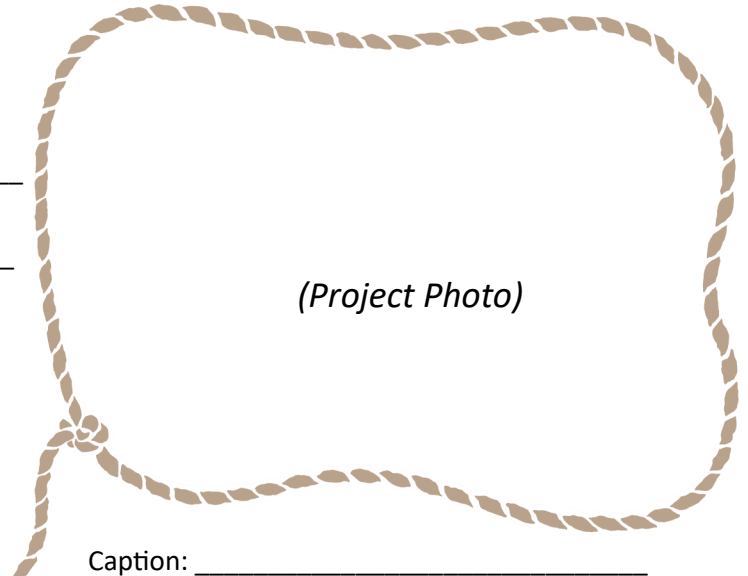

Project Record for all 4-H Horse Projects

4-H Member Name: _____

Project Name: _____

Age: _____ Years in project: _____

4-H Year: _____

(Project Photo)

Caption: _____

Objectives: Suggested objectives to learn in your project:

1. To gain a knowledge and understanding of equine production and feeding.
2. To make informed decisions and be responsible for the care and well being of an animal.
3. To learn how to manage time and resources.
4. To share the information and skills learned with others.
5. To strengthen communication skills.
6. To explore careers which work with animals.

These are my 2 main project goals for this year!

Goal 1:

Two things I may do to reach the goal above:

-
-

Goal 2:

Two things I may do to reach the goal above:

-
-

**This form will enable you to keep an accurate record of your animal
and will help you develop life long skills in record keeping.**

Description of horse or horses used in the project:

★ **Name of Horse:** _____

Breed: _____

Registered: _____

Registration Number: _____

Or Grade: _____

Year Foaled: _____

Owned by: ☐ 4-H Member Alone ☐ The Family ☐ Someone Else (need lease agreement)

★ **Name of Horse:** _____

Breed: _____

Registered: _____

Registration Number: _____

Or Grade: _____

Year Foaled: _____

Owned by: ☐ 4-H Member Alone ☐ The Family ☐ Someone Else (need lease agreement)

★ **Name of Horse:** _____

Breed: _____

Registered: _____

Registration Number: _____

Or Grade: _____

Year Foaled: _____

Owned by: ☐ 4-H Member Alone ☐ The Family ☐ Someone Else (need lease agreement)

Health Record

Describe your efforts to maintain the health of your horse and any issues you had. Questions to consider: *Did your horse become ill at any point throughout your project and need medical attention? Did you administer any products to your horse in order to prevent any particular disease or illness?*

Record all health steps taken in the table and the route of administration: subcutaneous (SC), intramuscular (IM), intravenous (IV), orally, topically, etc.

Date	Reason for Treatment	How Administered	Dosage Given	# of Animals	Cost Per Animal
6/1/19	<i>Analgesic</i>	<i>Topical</i>	<i>3 oz</i>	<i>1</i>	<i>\$0.80</i>

Feeding Record

In this section include all feeds, minerals, vitamins and protein supplements that you gave your horse since the project began.

Date	Number of Horses	Feed Type Pasture/Hay/etc.	Cost/lb. of Feed/Pasture/etc.	# of Days Fed	Total lbs. Fed	Total Cost
May-Aug	2	Pasture	\$10/month	120		\$80.00

Business Summary

Raising and taking care of horses does not come without expenses. Successful business people keep detailed records of all expenditures. Describe any purchases you made this year to your project including the cost of your horse (if purchased during project year), shows, travel, equipment, etc.

Date	Item or Event	Cost
6/1/12	<i>Horse blanket</i>	<i>\$40.00</i>

What kind of income did you earn throughout this project?

<i>Sold grooming supplies (last year in project)</i>	<i>\$300</i>

What accomplishments have you achieved with this project? How did you reach your goals for this year?

What would you like to improve on, regarding your project?

NDSU does not discriminate in its programs and activities on the basis of age, color, gender expression/identity, genetic information, marital status, national origin, participation in lawful off-campus activity, physical or mental disability, pregnancy, public assistance status, race, religion, sex, sexual orientation, spousal relationship to current employee, or veteran status, as applicable. Direct inquiries to: Vice Provost, Title IX/ADA Coordinator, Old Main 201, 701-231-7708, ndsueoaa@ndsu.edu. Publication made available in alternative formats for people with disabilities upon request, 701-444-3451.

Creed for Participants in 4-H Animal Project

I Will:

1. Provide comfortable and sufficient quarters for my livestock.
2. Feed my livestock on time each day and provide animals with clean water at all times.
3. Keep my animals free from parasites.
4. Strive to keep my livestock in good health.
5. Try to learn as much as possible about the best methods of feeding and caring for livestock.
6. Strive to improve the breeding and quality of my livestock and the livestock in my community from year to year.
7. Be kind to livestock.
8. Always show good sportsmanship in competition.
9. Be an example of how to accept what life has to offer, both good or bad, and learn to live with the outcome.
10. Keep an accurate record of my projects.
11. Complete my project and take part in all the activities of my 4-H Club & county 4-H each year.

I have read this creed and I will do my best to apply this creed to my 4-H project.
