1. WHITE EARTH BAY COTTAGE SITE ROADS

Engineer Hennessy presented a letter of concern from property owners for the roads within the White Earth Bay Cottage Site. The concerns appear to be on A, B and C streets within the cottage site which are in poor condition with no upkeep from the County or Unorganized Township 154-94. Discussion was held on who is liable for the upkeep of the roads. Yvonne Gunderson spoke for the White Earth Bay Cottage sites owners. Starla Norstedt discussed that this is in Unorganized Township 154-94 with monies within the fund and believes the Township is responsible to maintain the roads. The main concern is safety within the park. Discussion was held on the importance of more policing within the White Earth Bay. Wade Enget, State’s Attorney discussed the options: become an organized township or develop a Homeowners Association just to do the roads. Once a homeowners’ association is created, a request for assistance with gravel etc. could be made to the Unorganized Township for monies. More discussion will be held once the Homeowners’ Association is established and the request is brought to the board.

2. CR10

Engineer Hennessy & State’s Attorney Enget discussed the request made by Fred Evans concerning improving the approach on the North side of CR10, one mile west of ND 8 and is requesting to use the material from the County right of way for better visibility to the east. Discussion was held on giving back a portion of the excess right of way and utilize his private dirt. Engineer Hennessy & State’s Attorney Enget will bring back the plans for the next commissioner meeting.
