

Livestock & Horse Record Books

Record Books can be picked up at the Extension Office or found online @

<https://tinyurl.com/MC4HAchievementDays> (located at bottom of page)

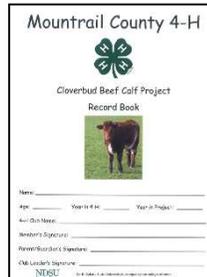

You must register your Record Books under each species on FairEntry as an exhibit!

WHO is required to complete these books?

- 1) ALL Livestock Exhibitors
- 2) Horse Exhibitors participating in the Premium Sale

Youth complete one of these books for EACH species they are exhibiting. Can group together per species. Must still keep BREEDING & MARKET in appropriate separate books.

Failure to submit a livestock record book for any specie will result in that specie not being qualified to be exhibit at the event.

Age Divisions

Both age divisions have different books!

WHAT do I do with these when completed? They are interview judged at Achievement Days!

Complete each book in its entirety and you will meet with assigned judges to discuss them.

You may be awarded a grand, reserve, merit, blue, red, or white placing based on the quality of your Livestock record book. Only grand, reserve, & merit placings, per species, receive premium points.

WHEN are they judged?

They are interview judged at Achievement Days!

- 1) During Set-Up on July 6 you will sign-up for the judging timeslot that works the best for you! Failure to sign-up may result in extended wait time.
- 2) On July 8 you will meet with the appropriate judge at the time frame you choose. Those with assigned times will be selected before any who did not sign up on July 6.

Proof of Record Book REQUIRED prior to registering your livestock at the show.

There are TWO options available to complete this task!

- 1) If you have not had your book judged yet, you will show your physical books to each species Superintendent(s) at Check-In.
- 2) No longer have the book(s) in your possession since they have been judged prior to your species Check-In?

WHERE are they judged?

Mountrail County South Complex Hall

Enter the South Complex Hall using the East doors. Signage will be present. There will be specific stations and seating available for EACH species.

WHY do we require these?

The purpose of requiring these record books is to ensure the exhibitor is gaining the fullest experience and knowledge with their animal exhibit. There is so much more that goes into raising livestock than just what you see on show day! These books help educate 4-H youth on a broader level.

If so, when your book is judged ask your specific Livestock Record Book judge to complete a 'Livestock Release Form'. These forms are then put into a box and collected by Livestock Superintendents to review.
