PETITION SIGNATURE GATHERING

Guidance for candidates seeking nomination through petition

SIGNATURE GATHERING PROCEDURES

Make sure your petition signatures follow these guidelines to ensure they are not rejected.

1. Circulator should be present when signer signs the petition.
2. Have a clearly printed name. Ask the signer to print and sign clearly. Illegible printed signatures will be rejected if a name cannot be determined.
3. Include a complete residential address, any needed apartment or suite numbers, city, state, and zip code.
 - ▶ Must indicate if the address is a street, avenue, boulevard, place, circle, etc.
 - ▶ Must provide a directional indicator for the address: N, S, E, W, NE, SW, etc.

Example of complete address within a signature sheet:

Month Day Year	Name of Qualified Elector PRINTED	Name of Qualified Elector SIGNATURE	RESIDENTIAL ADDRESS Include street type, any directional (N,S,E,W), apartment or suite numbers, if applicable.	CITY, STATE	ZIP CODE
